**BRIDGER BOWL INC  
COMMUNITY RACE / ALPINE DUAL GS 2009-2010  
WARNING, NOTIFICATION OF RISK, RELEASE OF LIABILITY**

I hereby voluntarily request to participate or to have my minor child participate in the Community Race/Alpine Dual GS competition being conducted at Bridger Bowl on any or all of the dates listed below. I understand there are inherent dangers and risks of skiing that are part of the sport including: changing weather conditions; snow conditions as they exist or as they may change, including ice, hardpack, powder, packed powder, wind pack, corn snow, crust, slush, cut-up snow, and machine-made snow; avalanches, except on open, designated ski trails; collisions with natural surface or subsurface conditions, such as bare spots, forest growth, rocks, stumps, streambeds, cliffs, trees, and other natural objects; collisions with lift towers, signs, posts, fences, enclosures, hydrants, waterpipes, or other artificial structures and their components; variations in steepness or terrain, whether natural or the result of slope design, snowmaking, or snow grooming operations, including but not limited to roads, freestyle terrain, ski jumps, catwalks and other terrain modifications; collisions with clearly visible or plainly marked equipment, including but not limited to lift equipment, snowmaking equipment, snow grooming equipment, trail maintenance equipment and snowmobiles, whether or not the equipment is moving; collisions with other skiers; the failure of a skier to ski within that skier's ability; skiing in a closed area or skiing outside the ski area boundary as designated on the ski area trail map; and restricted visibility caused by snow, wind, fog, sun, or darkness.

I agree that I and/or my minor child should visually and physically inspect the course and the adjacent area before using the course. Natural and man-made obstacles exist. Fencing, equipment covers, signs, rope lines and other marking devices may be in place and mark some, but not all of the potential obstacles or hazards. These markers will not prevent injury. I understand it is my/my child's responsibility to stay away from marked areas. I acknowledge the existence of these risks and accept such risks on behalf of myself and/or my minor child whether they are marked or unmarked. By my use of the course, I assume all risks, including the conditions of the course and the adjacent area.

I am aware and understand the difficulty and risk may be increased by the manner in which the course is used by the participant, including but not limited to; speed, angle, ability and other factors controlled by the participant. I am aware that participation in this competition may result in serious injury, death, loss and property damage from these risks and I voluntarily accept such risks on behalf of myself and/or my minor child. I consent to the use and reproduction, without compensation, of all photos or other visual representations made of the competitor in connection with this event.

I understand I should wear appropriate safety equipment as established by common safety practices for alpine ski racing. The use of a helmet is recommended. Bridger Bowl Inc. undertakes no responsibility, liabilities or duties to any participant in connection with the recommendation that helmets be utilized. It is the sole responsibility of the participant.
